III. 1 What did you like about the class?

Solid equipment and instructor
Very informative
very straight forward
The patience exhibited by the instructor
The instructor
I was suprised that all the applications for Excel were in this class. I already more confident with the program and looking forward to the next level.
I was able to gain needed knowledge on the basics of Excel

III. 2 What didn't you like about the class?

The variety of student abilities
that it is four hours
I am computer illerate....but still got alot out of the class
Needed more time.Could have used 4 days instead of 3.
About the only thing that bugged me was waiting for others to catch up.
Maybe some more time is needed for level 1

III. 3 What improvements would you suggest?

N/A
More Time
add one more class to shorten the time per each class
Nothing...it was great...
One more day
If possible, having the class broken up in to 2 levels(basic-beginners, and basic-intermediate) would have been cool. There was just a lot of down time.

More time, maybe not so accelerated

III. 4 What other classes would you like to see offered?

More excel!
windows 8
Spanish in the daytime
