III. 1 What did you like about the class?

| |
|--------------------------------------------------------------------------------------------------------------------|
| Nice flow of the exercises |
| Definitely gave the opportunity to participate and practice. |
| The hands-on learning |
| He's an excellent teacher |
| I like that Carl modeled each concept first and then let us practice it on our own. |
| Lots of information & easy to follow... |
| Able to practice all learning points. Instructor very easy to approach and willing to sort out individual problem. |
| Demo by teacher than work book |
| Covered all basic Excel. Instructor very responsive to needed student assistance. |
| Great Overview and tips / techniques... Instructor knowledge ! |
| How the class instructions went with the book. Mr. Burnett was very patient |

and available to help me out the students.

To the Point

The class was very interesting and useful for now and in the future

III. 2 What didn't you like about the class?

Day 2 - printing/formatting should be in one chapter instead of 2 different chapters

A little slow paced, but was matched to most of the students in the class.

Didn't always have time to finish the exercises

No coffee in the building

There is a lot of information given in a brief amount of time. I need more time to absorb what I learn.

Learned so much

I needed the book to be more literal. Some steps were assumed.

Fast. Had trouble seeing screen and hearing.

Hard to see screen some time pace was a little fast

The amount time to complete the class work. I am very slow with using the computer and a lot of time I was unable to finish all the assignments.

Everything was good

It was good

III. 3 What improvements would you suggest?

This might be better titled "Intro to Excel"

Day 1 -- Go through preliminary stuff faster so that there's more time for the important stuff

N/A

longer class!!!!
