III. 1   What did you like about the class?

The class prepared me to continue on to MS PowerPoint Advanced
the way it was explained
Hands on experience
Work Book was easy to follow
The patience of the teacher
I like to work with drawing objects and graphics Ms Powerpoint 2010 is easier to learn than MS Word 2010.

III. 2　What didn't you like about the class?

Instructor keep the class moving
very iformative
Try to cram too much into too short of time
The textbook
Too many execises in textbook that many of us did not finish within limited class sessions

III. 3　What improvements would you suggest?

Make sure all students have basic MS Office prior to taking this class
none
need more class time should be a 15 hour class
Maybe try to teach less material in a "basic" course
A textbook that is easy to follow and not so much course content.
Like MS Word sessions, I strongly suggest that two hours more to total of 12 hours of lecture/lab sessions for next semester to meet student's pace.

III. 4　What other classes would you like to see offered?

nothing
How to present
I will take advanced course of PowerPoint next week with same instuctor.
