III. 1 What did you like about the class?

The hands on work
Good overview of the course.
Flow, step-by-step process, materials fit well with the content.
Quite interactive
I liked that the course was hands-on. I was able to do the examples that the instructor did myself, which helped me learn the material better.

III. 2 What didn't you like about the class?

n/a
None applicable
Slow pace, always a challenge when students have a wide range of skill levels.
N/A

III. 3 What improvements would you suggest?

n/a
An end of day / end of class test/quiz that would have students create from scratch a project that includes a notes section so students can reinforce their learning with reference to manual/materials.
Nothing. Good training and refresher course.

III. 4 What other classes would you like to see offered?

N/A
