III. 1 What did you like about the class?

Covered the sections I needed
The time off the day
In general, it was a good review, but still I need to practice a lot more.
The variety of items taught, and the patience of the instructor.
Very interactive. Prof. Burnett allowed us to go through topics of interest that were not necessarily covered in this course. Thank you!
Flexibility and knowledge of instructor
The teacher was patient and answers the questions.

III. 2 What didn't you like about the class?

All was great
interesting
Two days it's not enough for the material.
Some students are at lower levels than what is being taught and it can hinder those who are at the level of the class being taught. This is a part of life.
At times it hurt my brain. I need to go back and try some things over again to solidify it in my head.
seemed too short to cover all the material
The time was not enough to cover all the topic's exercises.

III. 3 What improvements would you suggest?

None

Please add one more days.
An assessment test when you sign up that helps ensure you are ready for the class.
I think it is better to add at least 2 hours to the course.
An assistant to answer questions and help students

III. 4 What other classes would you like to see offered?

Photoshop elements
SAP classes
Making blogs step by step.

IV. 1 How did you find out about this class?
