III. 1 What did you like about the class?

Everything
Taught very well
it makes u work
In deep material, pretty helpful
The instructor is very informative and made us think and analyze a lot.
Lots of hands experience. Teacher has wealth of knowledge. I learnt a lot.
It is so interactive and more hands on based course
- Good pace in class. The professor goes fast at times, but is always willing to slow down if necessary. - Excellent class preparation. We have access to class notes, videos, relevant websites, and exercises we do in class. - The class is very engaging. The professor is very animated and his teaching style compels us to participate in the lessons. It doesn't matter whether the answers we give are wrong or right, we learn the necessary information.
Great balance of lectures/presentation and hands-on experience.
Hands on class. After all class work, I feel proud that I actually made webpage by HTML.
