III. 1 What did you like about the class?

Good hands-on exercises and well-designed presentations
An incredible amount of information to cover but Professor Burnett covers it well and doesn't leave anyone behind.
very pleasant!intellectual
Deeper insight to web building and design.
Course content, focus on speed and efficiency, the small class size.

getting to go at our own past section by section I loved the class the teacher was nice and super helpful i would like to do more HTML out side of class now

III. 2 What didn't you like about the class?

I learn a lot. The instructor is very intelligent!
The pace of the course is hard to determine.
Didn't talk about the rest of the book, after chapter 18 of Murach. Mostly there was not much time to review the previous material.
N/A

III. 3 What improvements would you suggest?

there is nothing I can ask.
Allowing for assignments and homework to manage the pace of the class.
Have Saturday lab session to review previous material.
i think its fine as is. and i guess just longer session maybe

III. 4 What other classes would you like to see offered?

certification classes
Working with design teams to code create websites.
An introduction to Ruby.
Russian for beginners
