Overall Instructor Rating:	5
Recommend to Friend:	5
Comments about the Instructor:	
I don't think he knew how very illiterate I was in the digital world. I sometimes needed a "digital dictionary" to understand, and even then some of the concepts were not familiar to my background. This class helped a lot. Carl was a good instructor.	
LLI Questions	
<i>How did you find out about this class?</i>

Comments about the Instructor:	
Prof Burnett related to his older inexperienced class with logical explanations and gave us the tools and references to follow up. I definitely would take more courses from him.
