2019 Fall Knowing II Post-Course Evaluation

General Information

Question 1 - What Knowing Technology course did you attend? - Know_II

Question 2 - What is the CRN number for the course? -25651

Question 3 - Who is your instructor? - Profburnett

Question 4 - What is (are) your reason(s) for taking this class?

I was previously working in IT but left for another vocation in 1987. I want to learn how to better myself in understanding how to best utilize the applications available to me on my PC and iPhone.

Course Content

Question 5 - How would you rate the course content? -Excellent

Question 6 - How would you rate your overall training experience? - Excellent

Question 7 - What did you like about the class?

The majority of information presented was new to me. It gave me new insight in understanding how to begin to use all of the applications available to me.

Question 8 - What skills did you gain in the course?

I learned how to download Office 365 to my home PC. I didn't realize that this was available to me as an MC student. I also became more able to evaluate many of the providers that I can select from.

Course Instruction

Question 9 - How would you rate the quality of instruction? - Excellent

Question 10 - Did the instructor answer your questions? - Yes

Question 11 - Did the instructor provide you additional resources? - Yes

2019 Fall Knowing II Post-Course Evaluation
General Information

Question 1 - What Knowing Technology course did you attend? - Know_II

Question 2 - What is the CRN number for the course? -25651

Question 3 - Who is your instructor? - Profburnett

Question 4 - What is (are) your reason(s) for taking this class?

Prior to this class, I did not understand what the "Cloud" was and felt that I needed to update my knowledge of cloud technology and services.

Course Content

Question 5 - How would you rate the course content? -Excellent

Question 6 - How would you rate your overall training experience? - Excellent

Question 7 - What did you like about the class?

Mr.Burnett tailored his presentations to the low knowledge base of the students, who for the most part are retired and struggling with technological change.

Question 8 - What skills did you gain in the course?

I gained an understanding of cloud services, but would be hard-pressed to relay more than the basics to anyone else.

Course Instruction

Question 9 - How would you rate the quality of instruction? - Excellent

Question 10 - Did the instructor answer your questions? - Yes

Question 11 - Did the instructor provide you additional resources? - Yes

Classroom Facilities and Materials

Question 12 - How would you rate the textbook or handouts? - Excellent

Question 13 - How would you rate the classroom environment and seating? - Above Average

Question 14 - How would you rate the classroom computer equipment? - Above Average

Course Improvements

Question 15 - What didn't you like about the class?While Mr. Burnett did very well at getting class participants involved in the discussion through his technique of using class exercises, the time taken on hearing responses from everyone became long and repetitive.

Question 16 - What improvements would you suggest?

Course Marketing Questions

Question 17 - How did you find out about this class? -Question 18 - What other courses would you like to see offered?
