#### III. 1 What did you like about the class?

Fun. Learned some new tricks. Professor Burnett is very informative and patient. :-)
Instructor was very thorough and took the time to help every student when they needed help.
the info
good amount of info
I learned a lot from this class and I am ready to use the knowledge to create my own excel file.
I loved the variety of topics we covered. Exel is truly an amazing tool.
The atmosphere was very supportive.
The instructor and his patience to teach this course

That it was very helpful and we had very clear instructions and Mr. Burnett was very helpful with answering questions.

The instructor was helpful.

knowledge and patience professor.

### III. 2 What didn't you like about the class?

Nothing

Too long

everything

moves fast at times

Everything is explained very well by the teacher.

I would like more actual demonstration.

The instructions on the book are hard to follow.

Nothing.

The book needs to be improved.

every thing was good.

### III. 3 What improvements would you suggest?

Nothing

none

N/A

More exercises using the same techniques a couple of times to get it ingrained into memory!

For a little time to be spent on understanding the exercise instructions (do this/how and why column), and especially the importance of moving back to the appropriate chapter and file in the Excel student data.

Perhaps change the color of the instructions or make them easier to read and follow.

No improvements needed.

Someone needs to improve the book.

### III. 4 What other classes would you like to see offered?

accounting
I have already signed up for Word and am excited to take it.
Word
How to get a job after being away from the workforce for 3 years and being 58 years old.
