III. 2 What didn't you like about the class?

nothing
Wide differences in students proficiency; however, it was okay as the instructor clearly demonstrated how to do the exercises and gave individual tutoring when needed. Also, some students came to class without the textbook.
sometimes it was too fast.
It moved too slow for me but that was no fault of the instructor
The instructor was knowledgeable and allowed time for class to do the exercises
Possibly too much information for a beginners course
went fast for my level of understanding
No complaints
interesting

III. 3 What improvements would you suggest?

if MONTgomery college would make clearer that we need to purchase book

At registration, all students should be informed of the need to get the course book before class.

A lot of people were not aware about buying the book. Perhaps make an announcement before the first class.

Course time needs to be longer so that the sessions are not rushed

explain that we needed to purchase a book before class

The WDCE unit needs to make clear that the textbooks are needed to be purchased at the Rockville Campus Bookstore - especially if people register in person on campus. Why not put a marquee on the Home page stating this so no one will miss this change?

All was above and beyond

III. 4 What other classes would you like to see offered?

Outlook

Microsoft Office for dummies

All microsoft
