III. 1 What did you like about the class?

everything
I like how the student files provide very real-life like examples to make it clearer how students would apply the skills developed during the class

Instructor
Instructor is very patient with questions...felt like I truly grasped the content of the course and will now be able to apply it
Hands-on exercises
It was very concise and to the point instructions.
I liked that I was able to learn more about excel and complete excel 11.

III. 2 What didn't you like about the class?

no complaints
I didn't like not getting through all the material, presumably due to different levels of students in the class. I understand that that is inevitable to some extent, though.
Nada
Sometimes waiting on other students to finish with a section before proceeding can be a bit frustrating
nothing
The instructor was very professional and helpful.
The distractions and that I may have to repeat level 11.

III. 3 What improvements would you suggest?

if its not broke don't fix it.
I would suggest some kind of warning on the class descriptions that it's necessary to be proficient in computers to fully participate.
Nada
Cannot think of any
none
We need little more class hours to finish the course properly.
More detailed explanations, have us follow you as you explain the exercises.
