III. 1 What did you like about the class?

the professor is very patient and collaborative
Instructor was extremely skilled in delivering instruction.
Everything was very well explained
The instructor is awesome. Textbook and hands on approach were very valuable.
Excellent instruction. The pace is good for explaining the concepts and then doing the exercises
Very Informative
started and stopped on time;EVERY question was answered - even the rude ones. [There are no "stupid questions"..)

III. 2 What didn't you like about the class?

n/a

I cannot think of anything.
seating arrangement in the classroom is not very good. the seats should face the front where the screen is.
I am not fond of textbook.
Screen flickers and the image was often too small. But the biggest problem I had was looking at the PC screen when the Prof was pointing at the screen (in front of the class)

III. 3 What improvements would you suggest?

Better screen/projector. Hard to see because it is blurry.
improve the seating arrangement
A detailed text.

III. 4 What other classes would you like to see offered?

cloud
Excel BI

III. 5 What is (are) your reason(s) for taking this class?

--

Gain better understanding of the full capabilities of MS Excel.
Increase my knowledge of Excel
Improve Excel skills for professional development.
learn how to do pivot tables and charts
To become expert level in excel

IV. 1 How did you find out about this class?
