#### **III. 1 What did you like about the class?**

Instructor knew what he was talking about, went pretty fast
Learning about all the different functions that are available which is mind boggling.
The instructor was able to answer questions effectively and was very informative. The format of the book was easy to understand.

#### **III. 2 What didn't you like about the class?**

These course evaluations
The instruction is applied at a very fast pace. Have to stay on course at all times.
I did not like that it was only 10 hrs.

#### **III. 3 What improvements would you suggest?**

no more course evaluation forms
Extending the length of time to learn the material.
I would suggest that more time be spent on certain areas that would more commonly be used in business settings. More scenerios in the workbook that made you think.
