III. 1 What did you like about the class?

Everything... MS Project is an awesome tool for PM... it make life easy... feels like Christmas in "April" :-)))) Teacher is Awesome and very explicit and organized...
Carl was extremely helpful and patient with extra questions and needed assistance.
The systematic explanation of Project, and working through the lessons to get the practical experience.
Instructor and materials

III. 2 What didn't you like about the class?

N/A
n/a
The classroom design - we had to keep turning our chairs to see the screen

and then back to our computers. It was hard to keep track sometimes when you were trying to keep up with where the instructor was working on the screen.

Too short

III. 3 What improvements would you suggest?

N/A

Redesign the classroom configuration - move the tables/workstations to be in line with the screen and leave room in between for the instructor to walk through as he helps students.

Add days to class
