## III. 1 What did you like about the class?

|                             |
|-----------------------------|
| The sky view of JavaScript. |
|-----------------------------|

|                      |
|----------------------|
| It was a good review |
|----------------------|

|                                                      |
|------------------------------------------------------|
| thorough explanation of the principles of JavaScript |
|------------------------------------------------------|

|                                                                                                                                                                                                       |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| The presentations.                                                                                                                                                                                    |
| Learned another piece of web technology                                                                                                                                                               |
| Great overview of JavaScript language and how it relates to web development                                                                                                                           |
| The presentations and all the questions asked by Professor Burnett.                                                                                                                                   |
| Very good overview of subject matter with in-depth analyses where necessary. Instructor did an excellent job responding to technical issue (test server not working) to keep class/learning on track! |
|                                                                                                                                                                                                       |

**III. 2 What didn't you like about the class?**

|                                              |
|----------------------------------------------|
| The sky view of JavaScript.                  |
| setting up the environment                   |
| Textbook was not very helpful                |
| There should have been more hands-on coding. |
| n/a                                          |
| N/A                                          |
| Too much for such a short time.              |
| Traffic getting here from work               |
|                                              |

**III. 3 What improvements would you suggest?**

|                                                                                                                           |
|---------------------------------------------------------------------------------------------------------------------------|
| I'd like to spend more time working on the code since I'm already familiar with the fact that JavaScript can do anything. |
|                                                                                                                           |
|                                                                                                                           |
| More hands-on exercises                                                                                                   |
|                                                                                                                           |
| N/a                                                                                                                       |
| May be one week more of javascript.                                                                                       |
|                                                                                                                           |

|                           |
|---------------------------|
| Go over Dream Weaver more |
|---------------------------|

### III. 4 What other classes would you like to see offered?

|                                                               |
|---------------------------------------------------------------|
| I'd like to take a class where I get to code in JavaScript    |
|                                                               |
|                                                               |
| Bootstrap                                                     |
|                                                               |
| node.js                                                       |
| Am taking more classes for front end developer certification. |
|                                                               |
|                                                               |

### III. 5 What is (are) your reason(s) for taking this class?

|                                                                          |
|--------------------------------------------------------------------------|
| Wanted to know more about the basics and this class was helpful in that. |
| more structure to my coding                                              |
|                                                                          |
| To learn javascript                                                      |
| I want to become familiar with newer web technology.                     |
| learn JavaScript                                                         |
| To learn all about web development.                                      |
| General knowledge                                                        |
|                                                                          |

### IV. 1 How did you find out about this class?

|                                    |
