III. 1 What did you like about the class?

It was only 4 classes - short is good
Doing some of the class exercises and coding
I liked how the material was presented. Also the extra material provided or shown. The exercises and doing them are very helpful.
I enjoyed that we cover plugins.
Covered a lot of interesting topics
very in-depth
jquery
He a good teacher !!!
Learning more each class!

III. 2 What didn't you like about the class?

trying to keep up with a very demanding job and spending 3 hours in the evening.
Not sure, it was a pretty good class.

It's always fast but that's training too.
I wish there was more time for in-class exercises.
We didnt have enough time to to fully explore a lot of what was covered. Was very breif
Not a lot of using the book in class or referencing it outside of exercises
less demo
Learning all the new tech

III. 3 What improvements would you suggest?

More coding during class
I can't think of any. I really enjoyed the class.
More in-class exercises.
Possibly extending the length of the class, maybe another week.
Add a brief review of Dream Weaver operations
Better book, more practice exercises
more demo
Nothing

III. 4 What other classes would you like to see offered?

Philosophy of web dev and UI.
May be these classes in a longer time.
No opinion at this time.

I am happy with what is offered
Big Data, Documents Databases
Longer javascript and jquery classes
es6

III. 5 What is (are) your reason(s) for taking this class?

I wanted to improve my skills
Getting the front end certification and I need brush up on my skills.
Going towards front end certification.
To earn the Front-end certificate
Career development
To learn jQuery
Front End Developer Certification
jquery
To be a front End Developer
