## III. 1 What did you like about the class?

The hands-on labs
-------------------

Carl Burnett is a wonderful teacher
-------------------------------------

being able to create/change code to see the various actions/results...
--

Showned that jQuery is easy
Gave us a broad, thorough background of JQuery. Instructor very knowledgeable and patient.
I learned a whole lot!
I learned an easier way to do JavaScript.
I like this class. I learn a lot
Prof Instructions!

### III. 2 What didn't you like about the class?

nothing
Class content went too fast
A lot of downtime. The class could be much shorter.
I am not a fan of late classes. I loved everything. This class does fly by really fast!
Nothing.
It is too short and to cover a lot stuff.
I wish he had provided hard and soft copy in the class. It was very difficult to download from his web site as it was protected by UserId and Password

### III. 3 What improvements would you suggest?

none
maybe make the course 1-2 sessions longer
Simplify the set up
Make the class shorter. :-)
Let's have more hands on exercises, kind of like you did on the last day, if there is time!
More exercises (suggested homework).
Have a class just do a project after this class.

More Practice in the class with professor. Not class exercise without professor.

### III. 4 What other classes would you like to see offered?

n/a
UX/UI, design
n/a
XML,JSON, jQuery

### III. 5 What is (are) your reason(s) for taking this class?

learning the functionalities of JQuery for cybersecurity purposes.
Needed for my job
to learn more about web design and the various languages that make the pages work
keep skills current
Learn to code!
I wanted to know more about JQuery
Front-end Web Development and general interest in Computer Science.
develop my own web site.
To learn JQuery. Needed to learn FORM in JQUERY.

### IV. 1 How did you find out about this class?
